Entire Cast

This has been an incredible year for me and our dance studio. I truly can not express how much I love all of you and your kids! All of our Joyful Dancers are why we do what we do. I could not have asked for a better group of students or parents!

Parents, thank you for taking the time all year to bring your child to dance class. It takes time and devotion to come back week after week and I thank you for it. Your kids have been a source of inspiration, laughter and love for me over this dance year. They are each so special and so talented, Ms. Toni, Miss Brooke, Miss Whitney, Miss Kristyn and I feel honored to get to be their dance teachers!

Joyfully,
Shana Hartley
